License Preparatory Class

GPTA is offering classes to prepare individuals for the State of Georgia Plumber Licensing Exams.
GET STARTED FOR AS LITTLE AS \$150

The course is designed to cover all information needed for the Journeyman, Master Restricted and Masters Plumbers licensing exams.

The course fee is \$695.00 for 3 consecutive weekend classes (6 days). Payable \$150.00 (non-refundable) registration -- balance to be paid before first day of class. Refunds of all fees less the \$150.00 registration fee will be made until the day before your scheduled class begins. Additionally you will need the 2006 Plumbing and Fuel Gas Code books for the class.

Home Study units will be completed by you at home. **When we receive your registration we will mail all forms needed for the exam registration with complete instructions and pre-addressed envelopes as well as a workbook for you to begin studying right now...**

To sit for the exam all materials must be submitted to the Licensing Board 60 days before the exam date.

If you are interested in this program, please complete and mail or fax the form to our office at the address above. All course fees must be paid to reserve your space. Make checks payable to GPTA or we accept all major credit cards.

All Prep Classes will be held at the Central Georgia Conference Center in Forsyth, GA.

If you need additional information contact us at one of the phone numbers listed above.

Sincerely;

Ron Anderson, President

REQUIREMENTS FOR A STATEWIDE PLUMBER LICENSE

1. Completed original, notarized Application for License examination must be received in the Board office at least 60 days prior to the examination date. The Master & Journeyman Plumber board does not reciprocate with any other state.
2. Nonrefundable application fee: Check or money order made payable to "State Construction Industry Licensing Board." As provided by O.C.G.A. §16-9-20, a \$25.00 service fee will be assessed on dishonored checks.
3. Documented Experience: Document experience in plumbing work as would be covered by the Georgia State Plumbing Code. Applicants for master plumber license must document Primary Experience as defined in Board Rule 121-2-.02. Primary Experience is experience installing plumbing fixtures and systems, as a licensed master plumber, licensed journeyman plumber, plumbing contractor, plumbing foreman, plumbing superintendent, or military plumber. Persons who have experience as a journeyman plumber, master plumber, or plumbing contractor in a state that does not require a license, or who have experience as a plumbing foreman or plumbing superintendent in a job setting exempted from the licensure requirements, may submit documentation of the requirement or exemption with their application. Applicants for Class II Unrestricted Master Plumber License must document experience in commercial or industrial plumbing.
4. Master Plumber applicants must attach documentation of a current state issued journeyman license that has been active for at least 2 years or a master plumber license in another state. Documentation must include an issue date.
5. References: Three (3) references from licensed plumbers (at least one Licensed Master Plumber) who can attest to your good character and plumbing experience.
- 5a. Personal History: all applicants must include a background check with the application. This can be obtained from your local law enforcement center.
6. **Examination:** Pass the examination with a minimum score of seventy (70).
